Report: Vasilije Obrenovic, Republic of Srpska

At the invitation of Mayor of Lopare, Dr. Rado Savic, we visited the Sekulic family, Srpka and Diva. Srpko was born in 1956 in Potrasae, in the village of Podgora, in Majevica.

He grew up in a poor family and in a small house with five sisters and two brothers.

At this time he is out of a job, he worked at a brick factory in Lopare (Mackovac in Lopare) operating seasonally.
